WHAT ARE WE SPECIALIZED?

AIR FREIGHT SERVICES

To meet your freight deadlines,
Kaizen can provide air freight service provider with
high performance standards, and the flexibility to
meet your changing needs

SEA FREIGHT SERVICES

Deliver highly flexible services through partnerships with leading ocean carriers. These well-established relationships guarantee capacity and the ability to adapt to growing sea freight trade volumes, quickly and efficiently.

We provide range of service not only LCL and FCL but also special equipment (Reefer, Flat Rack, Open Top)

DOOR TO DOOR SERVICES

Freight from our customer's factory to their buyer's location. We handle all customs clearances required for your convenience. Thus, Onboard Courier services are also provided. You can be assured that your cargo will be delivered promptly and safely.

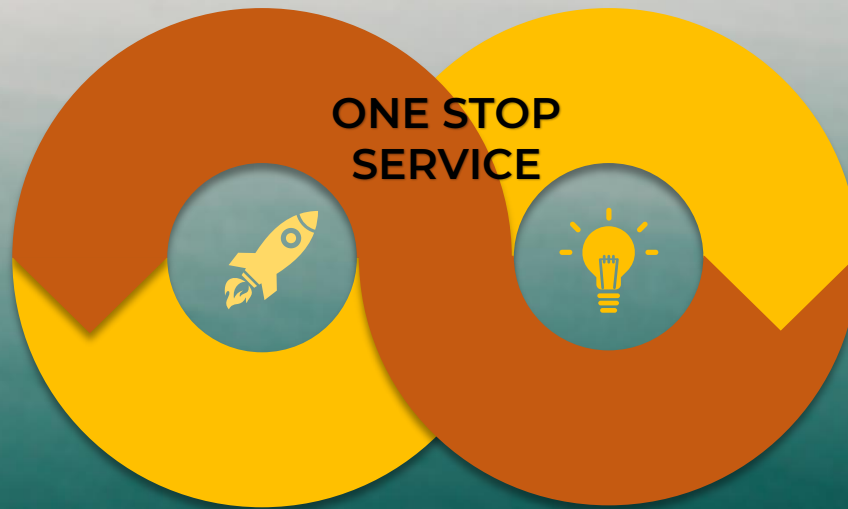

MULTI-MODAL TRANSPORT OPERATION

Domestic multimodal transport

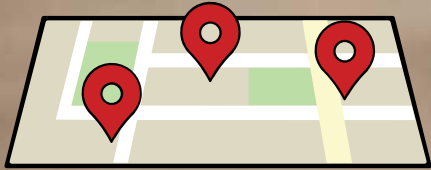

International multimodal transport

One-stop service transportation, suited for the cargo of large bulk and heavyweight, or those whose destination cannot be reached by air or sea. We provide speedy services that will save you cost and time.

TRANSPOTATION/ TRUCKING

We provide container haulage both export & import including 20ft, 40ft, 45ft, and also the Reefer container.

CUSTOMS BROKER

We help facilitate the import and export customs clearance services, including document processing for customs entry, BOI formalities, and other relevant documents. This makes freight forwarding convenient, time-saving, and cost-effective for you.

You benefit from every innovation, whether it involves a simple extension to our Air and Ocean Freight products, whether it means a development in warehousing, or whether it requires a completely new integrated supply chain model.

You benefit from our experience in delivering effective solutions to the complex global supply chains of some of the world's biggest corporations.
