CARGO
Connections

It's been a challenging year with remote working and lots of virtual meetings, but the CC Head Office team were recently reunited for a fun team building event, an Escape Room followed by dinner. We have all stayed in close daily contact via Skype the past year and have worked on lots of exciting new features for the network including the Meeting Hub, eZines, Zoom meetings with Members and Guest Speakers etc. However, it was great to relax in each other's company after such a long time apart and we succeeded in 'escaping' from the room.

Although cases rose in the UK, they are now decreasing again, and the severity of illness is greatly reduced so our vaccination program is working. All CC Head Office staff have received both vaccinations and remain safe and well.

We know that Covid-19 will likely have lasting effects on the way we live, work and travel but we hope that as scientists suggest, the virus will become a much milder illness and that we can get back to what we enjoyed (and probably didn't fully appreciate) before the pandemic.

We are taking every precaution to ensure our delegates safety and well-being during our 2021 Annual Assembly in Croatia from 20-22 October 2021. To register your place, please go to www.comeetinghub.net and select Register Now under Croatia 2021.

We have missed you and can't wait to see you again. Rachel Crawford FCILT, President/C.E.O.

LAUNCH OF THE **CARGO CONNECTIONS MEETING HUB!**

We have great pleasure in formally launching our new Meeting Hub! Good communication is vital in business and this has been exceptionally important since the COVID-19 outbreak with many people working remotely.

Our bespoke system has been designed to enable our Members to connect more easily so that they can maintain their strong working relationships.

A project has come up and there is not time for a long back and forth email trail? Our powerful new interface enables our Members to quickly schedule a virtual meeting with their Cargo Connections partners at a mutually convenient time (with time-zones automatically considered) via WhatsApp, Zoom, Google Meet or Skype directly from their mobile device.

VIRTUAL MEETING EVENTS

Once a year, in-between our Annual Assembly, the CC team will allocate a series of consecutive days where all Members are invited to participate in virtual meetings (at no extra charge). The perfect opportunity to follow-up your face-to-face meetings! The next event will be from 11-13 April 2022 - a great opportunity to 'see' each other again after the challenges of the past year.

CROATIA 2021

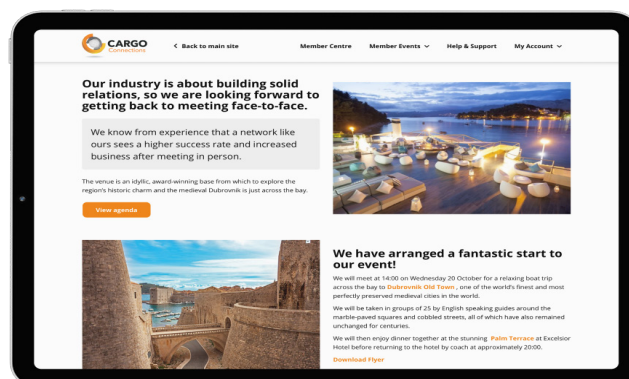

We are receiving a much stronger response than we anticipated but it is too early to confirm the expected number of attendees. We will of course, be able to provide an update nearer the time but it looks like our Members are keen to see each other again! If you do plan to attend, we advise early booking via our Meeting Hub. Be assured, if nearer the time you are unable to travel, we would automatically move your registration over to our next meeting with no change in price.

MEETING HUB

Here you can manage all your meetings including Virtual Meeting

Events, Face-to-Face events plus any Spontaneous Meetings. Your personal calendar has the ability to view in different time zones in case of travel.

Please go to www.ccmeetinghub.net for more details.
