

MEDIA Kit

We are delighted that you wish to collaborate with Cargo Connections on your upcoming event.

Cargo Connections is an ISO 9001 and ISO 14001 certified general cargo network formed in 2014 and offers Restricted Representation so membership is only offered to a limited number of freight forwarders who offer air, sea and road freight services per country. With a cutting-edge website, Cargo Connections offers various innovative membership benefits including a bespoke Meeting Hub, the most advanced Virtual Meeting Platform in the industry!
