About Elan

Our Business Strategy

OUR 6 PRONG APPROACH

Our Business Strategy tailored to customer needs.

Our Business Structure

WAREHOUSING

 Warehouse have always been an integral part of the logistics process. Our ability to synergize between warehousing and freight forwarding have been invaluable in maintaining balanced supply chain management.

CUSTOMS BROKERAGE

 We continuously enhance our operational efficiencies by deploying our own team of Customs Brokerage to ensure seamless Logistics services to our customers

PROJECT LOGISTICS

Handling turnkey projects involving precise handling. Details are mapped out in details throughout the project period. Helping customers to overcome challenges to bring in commodities in various sizes from different origins with multiple yendors.

ELAN'S

SIX-PRONG

STRATEGY

AGENCY REPRESENTATION

Liner agency representation Sea – SSL , SM Line, SCI Air – SQ and Qatar

FREIGHT FORWARDING

 Freight Forwarding remains to be our core business product model

TRUCKING / DISTRIBUTION

We actively pursue
 opportunities to add to our core capabilities. Through participation of customer's distribution, we better enhance our niche capabilities and gain inroads to new markets and customers.
